

Become a Fringe Friend!

Buxton Festival Fringe is a registered charity No.1017071. By becoming a Fringe Friend you will be making a valuable contribution, and showing your support for an event that enriches the cultural life of the town and makes a significant difference to the local economy.

We ask Friends to make an annual contribution of £10, or £15 for joint members, towards the costs of running the Fringe. Friends receive 10% off entry into Fringe events, and are invited to the Fringe Awards.

To become a Friend, please complete the Standing Order form below for your contribution for this and future years – this will help the Fringe to plan its income and reduce its costs. Alternatively, please send a cheque made payable to Buxton International Festival Fringe
